

Grade Point Average Verification as of: 17/09/2024

Student Name: Mr Dip Raj Rai
Student ID: 30418809
Academic Program: CG9 Master of Technology

Term Grade Point Average

Academic Term	Term Credit Points	Term Grade Points	Term GPA
PP Semester 1 2024	45	255	5.667
PP Semester 2 2023	45	285	6.333
PP Semester 1 2023	30	135	4.500
Summer 2022	60	285	4.750

Yearly Grade Point Average

Academic Year	Year Credit Points	Year Grade Points	Year GPA
2024	45	255	5.667
2023	75	420	5.600
2022	60	285	4.750

Cumulative Grade Point Average

Academic Program	Cumulative Credit Points	Cumulative Grade Points	Cumulative GPA
Master of Technology	180	960	5.333

The Grade Point Average (GPA) is a numerical calculation, weighted by Credit Points, of the mean of grades received over a defined study period (e.g. semester/teaching period/year) or program, and is calculated by dividing the total Grade Points by the total associated Credit Points for each term/year/program.

The maximum Grade Point Average achievable is 7.0.

Further information on the calculation of Grade Point Averages can be found at: <http://www.federation.edu.au/GPA>
